

Service Group Distribution of California Announces Eight Avery Dennison® Supreme Wrapped Vehicles at SEMA

FULLERTON, Calif., November 1, 2013 – Although Service Group Distribution (SGD) and its sister company Zola Tools aren't manning a booth at SEMA next week, they have announced a huge presence in the Show with eight vehicles being wrapped in their Avery Dennison Supreme Wrapping Film.

"We partnered with Avery Dennison as a West Coast distributor back in June of this year," said Managing Director, Earl Mangune. "The interest from our dealers has been nothing short of overwhelming since then. The product speaks for itself: it's easy to apply, durable and gorgeous."

The vehicles wrapped with SGD's Avery Supreme Film at SEMA include:

- DC Sports' Feature Vehicle, Subaru BR-Z wrapped in Yellow Gloss
- Mitsubishi, Evolution X in Matte White in Mackin Industries' booth (22813)
- Lamborghini, Murcialago in Black Chrome and a Toyota, Tundra in Matte Dark Grey in Dub's space (63001.63017, 63036)
- Scion FR-S in Deep Forest Matte and a second in Lagoon Blue Matte in AEM Induction Systems' booth (22661)
- Scion FR-S in Yellow in Vortech Engineering's booth (23063)
- Lexus LFA in Black Chrome in Toyo Tire USA's booth (40041, 63100)

In addition to Avery Vehicle Wrap films, SGD carries Pentagon Select Automotive Window Film; Errecom and BlueChem Vehicle chemical lines; PremiumShield Paint Protection Film; Pentagon Safety & Security Window Film, along with the Pentagon USA Attachment Systems; HanitaTek Window Film; Liquisol© Solar Control Paint and Zola Window Film Installation Tools.

Service Group Distribution holds bi-monthly training sessions on the Avery Dennison Supreme Wrapping Film. For more information about the training or about the products offered through Service Group Distribution, visit www.servicegroupdist.com or 866-320-7150. If you'd like to have a meeting with a representative of Service Group Distribution at SEMA, please contact Earl Mangune at 626-890-0602.
